HOW TO ENGAGE

1. **Define the requirement**
   Product, service, project or work package; site, timeframe and any RFQ reference.
2. **Named accountable lead**
   Your enquiry is directed to the relevant division lead following qualification.
3. **Quote and contracting entity**
   A scoped quote identifying the contracting entity and relevant credentials.
4. **Evidence and pathway**
   Scope-specific evidence and the buyer's procurement pathway (e.g. IPP, Exemption 16, Mandatory Set Aside, MMR) — subject to buyer eligibility assessment and value for money; no route guarantees award.
5. **Delivery and reporting**
   Documented delivery, with participation outcomes recorded under the embedded FORCES Indigenous Participation Standard.

CONTROLLED DOCUMENTS · AVAILABLE ON REQUEST

Released where relevant to the proposed scope and appropriate for external release: corporate and certification records; governance, risk, quality and WHS information; ethical and responsible procurement controls; privacy and information-security information; supplier and delivery-partner due diligence; insurance certificates of currency; project-specific technical and mobilisation evidence. Financial or tax evidence is released only where justified, as restricted information.

Request via forcesgroup.com.au/procurement or team@forcesgroup.com.au. Have drawings or specifications? Submit your request and our team will arrange secure document transfer. Do not submit classified or sensitive material through the website or by email.

INDIGENOUS PARTICIPATION STANDARD

An internal group operating framework embedded in every current division — not a separately purchased service. Commitments: genuine Indigenous leadership; qualified Indigenous supplier opportunities; appropriate workforce and training pathways; lasting supplier development; evidence of genuine spend, work and workforce outcomes; an accountable division lead.
